Hyde, Sheldon, House (Hyde's Castle)

(NY-5542)

Structure

97 Second Street. Frame, irregular shape, three-bay front, two-and-a-half stories, gable roof with dormer, additions with flat roof and hipped roof, unusual composite of mid-nineteenth century architectural features including four Palladian motifs. Built between 1859 and 1866, front porch removed and windows altered about 1920. 6 ext. photos (1963). 4 data pages (1974).

Card prepared July 1974.
